**Identifying a Unified Approach to Implementing Solutions to the Problem**

1. Identify the best way to address the problem through a panel discussion with audience  
participation. Panel members to include:
  - Moderator: Andy Young, lawyer and CDL holder
  - Dr. Alex Epstein, Volpe, The National Transportation Systems Center
  - Jack Graczyk, Director of Fleet Services, New York City
  - Scott Manthey, Vice President of Safety, Interstate Distributors
  - Mark Roush, Vice President of Engineering, Vanguard National Trailer
  - Robert Martineau, CEO, Airflow Deflector
  - Roy Crawford, Truck Safety Coalition volunteer and truck crash reconstructionist
2. Where do we go from here?
