Why do you think Congress should pass The STOP Underrides! Bill?

People over profits. This could save many lives.

Add side shields to prevent underride accidents.

We deserve all the protection we can get from the trucks

To Save lives!!

It's very dangerous so if it could be prevented, spend the money and saves lives!!!!

Accidents are not preventable, but IF we can reduce the amount of harm caused by them, it is the moral, ethical choice

Way past time to pass this bill. So many deaths were preventable. End truck underride tragedies now.

They are just as important as seatbelts and airbags.

Common sense... Do it now!

My husband and I talk about this problem all the time . Plus my son was killed in a GM Ignition switch and I couldn't

Public safety.

This is a no-brainer. Congress, mandate strong underside guards!

As a funeral director, I've seen too many people die this way. If there is technology that exists that could help prevent death is preventable in any way WHY would we not implement the change if we have a solution

It would save a lot of lives..

So lives can be saved rip to the young ladies

This is avoidable - truly, a non-thought but full heart answer: fix this problem.

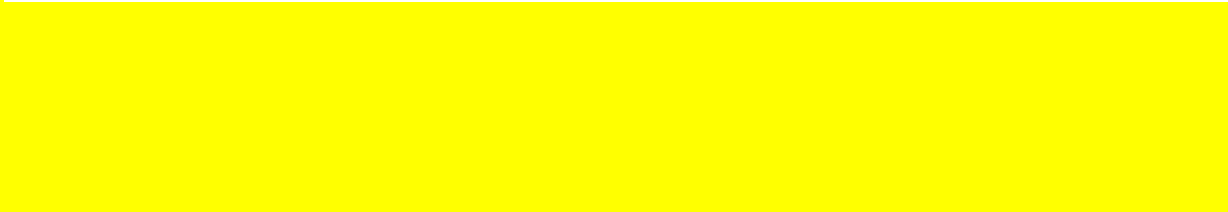

It's a terrible way to lose a loved one and can be prevented! I don't want that to happen to any of my family

Why wouldn't this become a law? It's so easy to prevent these deaths.

This bill will save many lives. Deadly underride accidents are preventable! I ask you to please pass this bill.

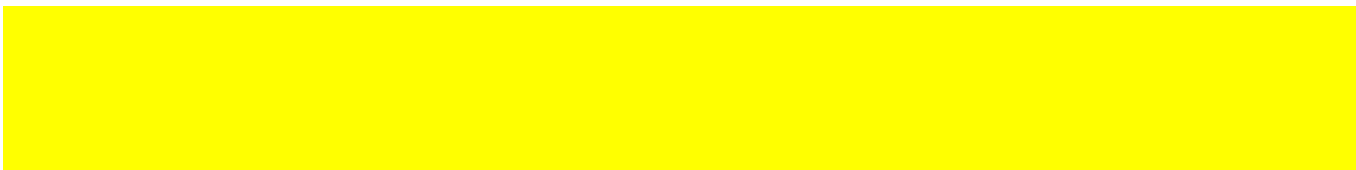

You need to see to it that this becomes law. It is important for every ones safety. And please don't give them 2, 5, 10

Why is this still a problem? This is long overdue. On June 29, 1967, Jayne Mansfield was killed in an automobile acci

Happens way to often today. Trucks need their own lane.

Because it just makes sense to do so

Save Lives Now!

If this could save lives it needs to be a law! The fact, that someones daughter ,son, mother, father, brother ect.. coul

Millions of lives can be saved....if going underneath a big truck can be prevented than please let's do that.

So many lives have been lost. We need this simple fix!

I think it's been a long time comin that this change needs to take affect, how many more people have to die before

I have a close friend that this happened to years ago and he fortunately survived! Whatever can happen should hap

To stop the killing.

Semiâ€™s are dangerous when you compare the size of a SUV or car to one..there should be stricter laws to protect  
Why wouldn't it be to everyone and anyone?

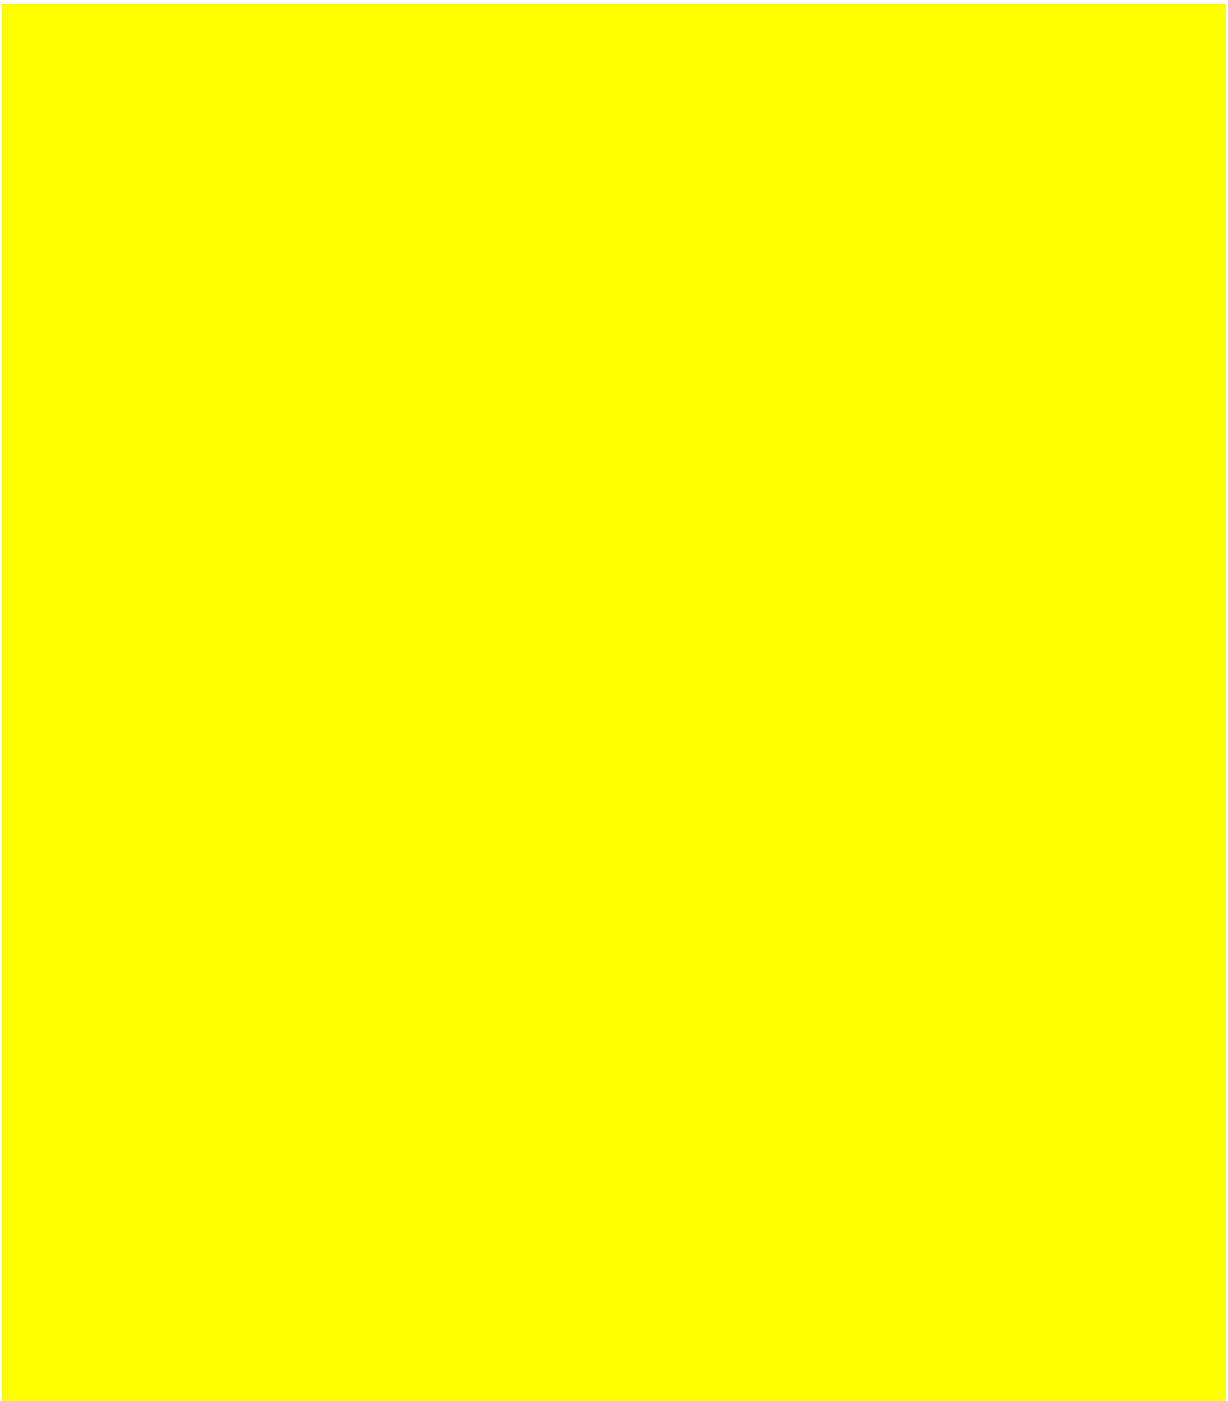

Anything that will help save lives is important to me. If we just save one live it was worth it and that life could be you

Human safety, prevent loss of life. Underride prevention bars are already mandatory in most other countries, we are

There are

I completely agree that more lives will be lost if something isn't done. We had an accident just like this last week in our community, a young mother in her 20's, lost her life in a crash like this. Please help make this a reality & help save lives!

To many people are losing their lives I lost a sister in law due to wrecks with semis.the semi truck was pulled over bu

To many lives being taken.

Stop death that could be prevented!

If there's away to stop deaths from car accidents then it should be utilized. My own mother died 29 years ago when

Jesus  
Cares.  
He  
Comes  
Soon.

Jordan Hensley, my best friend since second grade, passed away suddenly last year from this horrific type of accident

If there is something... anything we can do to save lives, then we should do anything in our power to do so.

To save lives

underride guards seem like a pretty simple & cost effective way to save lives

if they can prevent this it should be required.

If 'override' is being used to smuggle illegals into the U.S. then we first need to fix immigration and then update the

To help prevent senseless deaths

You'd do it if this happened to YOUR children.

Its the sensible thing to do.

Death from only 39 mph that could be prented...make it happen, please!
