

### We pray for Secretary Buttigieg:

- that he be able to identify **five smooth stones** which can slay the Goliath standing in the way of preventing unnecessary underride deaths and heart-wrenching grief;
- that he have the **wisdom** of Solomon and the **administrative discernment and boldness** of Joseph as he oversees the Office of the Secretary and 11 Operating Administrations;
- that he get **clear direction with a specific plan** as Joshua did when he marched around Jericho;
- that he have the **faith** of the centurion and **certainty of his authority** in order to carry out the responsibility of his position.
- that, like Nehemiah, he might **grasp the gravity of the situation** and **seek the Lord for His intervention** and that he might have **willing/effective workers** to accomplish the needed tasks;
- and, finally, that **the hand of the LORD be upon Secretary Buttigieg**, as it was upon Mordecai -- ONE WHO SOUGHT THE GOOD OF HIS PEOPLE & ONE WHO SPOKE FOR THE WELFARE OF HIS WHOLE NATION." (Esther 10:2-3) **For the saving of many lives. [Genesis 50:20]**
